A Letter From Our Foreign Exchange Student Paulina Montaldo

Dear Fellow Students,

I don't know what I will miss most about you. You have made me familiar with so many things. Every one will be an important reason for my sadness in leaving you, but with good-byes must come a little bit of happiness too and, that is the happiness of knowing that, in your school, I completed my own school career. Of course every good-bye is sad. It is even more so when one has developed so many close friendships. It seems only yesterday that my first friend came up to me and offered to help me with a vocabulary test. The time in which I have been able to learn in your classrooms and to enjoy the company of teachers and students has been too short, but that's the way it is. I have to leave, to go, seemingly, far away even though I know that I'll always remain near. I can not nor do I want to forget you.

I came from South America and I came to you happily in search of a new and marvelous experience which thanks to my parents and Rotary I found. Now I go back to Ecuador, in the middle of the world, to the country which gives its name to the line which divides the earth into two hemispheres.

I shall never forget the very pleasant memories, the sunny days, the snowy days, my friends who were like brothers and sisters to me, volleyball which I practiced and played and the outstanding football games I enjoyed so much.

Now I say good-bye to you, but please know that you will always have a place in my heart and in my country where you will always be welcome.

Love always

Paulina Montaldo

Remember

Remember me when I am gone away,
Gone far away into the silent Land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned;
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve;
For if the darkness and corruption leave
A vestige of thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

Together we go the way if we're lonely
 And

Away from the past and the future
 Thinking of the good times and the bad
 Happy moments with some sad
 Broken promises and forgotten words
 Further in the future after all this
 How we'll remember today and

Special friends and times with it is two
 A love with its own style

Let hearts be wild to a pie
 Yesterday's memories left behind
 New friends and lovers we'll find
 Reaching for that bright shiny star
 Yes as all of us will go that far
 High school years filled with fun

As the class of 84 remains number one

No, No, Nanette

When "No, No, Nanette" was chosen as the 1983 musical, many people were apprehensive because the show had been put on 7 years before. However, when the curtain parted on opening night and the show began, everyone knew that the performance would be equal to, if not better than, the previous performance at NHS. "No, No, Nanette" took place in the roaring 20's and concerned the Smith family and their controversies over a period of 2 days. The show was a success thanks to the support of Mr. Frediani, Mr. D'Amico, Mr. Scharfner, and Mrs. Marion Andrews as well as the student directors.

NESH JR SR PROM
A NIGHT TO REMEMBER
MAY 13

Jr.-Sr. Prom A Night to Remember

May 13, 1983 certainly did prove to be A NIGHT TO REMEMBER. Because this was the first prom to be held outside of the school, it was even more special. The Class of 1984 had fun decorating for their first prom, but the real excitement came when everything fell together and proved to be a successful night.

Sojourn provided the music, and surprised the crowd with their rendition of "SHOUT!"

A special thanks goes out to the butlers and maids: Todd Casalandra, Jeff Hedland, Matt Caizza, Bonnie Bonk, Loun Chamberlain, and Carol Raynak. After the prom, dinners and parties helped to round out the evening. It truly was a special night for everyone who attended!

Homecoming

Despite the mixture of cold and rain, this year's Homecoming was a shining success. The presentation of the attendants and their escorts proved to be not only dazzling, but also very memorable. The hopeful candidates for queen were Beth MacMurdo, Ann Piccirillo, and Diane Simpson. As the drumroll played and the excitement heightened, Ann Piccirillo was named the 1983 Neshannock High School Homecoming Queen. She was escorted by Tim Hurcheson and crowned by Andrea McRoberts, the Student Council President.

The Junior attendants were Marcy Grorefend, Sue Carrerson, and Sandra Piccirillo. Sophomore attendants were Amy Fox, Amy Isidro, and Melissa Santos.

Mock Homecoming

For years, football players have complained that they take no part in the Homecoming festivities. This year, Neshannock's cheerleaders decided to treat the football team to a mock homecoming featuring varsity football players as contestants vying for the coveted crown. This first time extravaganza was held before the student body during the Homecoming Pep Rally.

The hopeful candidates battling for the prestigious title were Danny Hess, escorted by Joel Bender; John Courman, escorted by R.K. Ranier; Todd Kerterer, accompanied by Rick Schiech, Dave Cerroni, with escort Scott Chamberlain; J.P. Wherthy and escort Matt Chabak; and Trevor Melder, who failed in his attempt to come up with an escort. Based on the cheers of the student body, our 1983 Mock Homecoming Queen was David Cerroni, who was presented with a crown and flowers.

Homecoming Dance

On Saturday, October 1, the day after our spectacular Homecoming victory over Rochester, the Student Council held its Homecoming Dance for all Neshannock students and guests.

Homecoming Queen Ann Piccinillo and her court and escorts were in attendance and honored with photographs and the Queen's Dance which featured Queen Ann and her escort Timm Hurcheson.

As seen in the photo on the lower left, there were a lot of faces at the dance. And those in attendance had a great time. It was a perfect way to end a perfect Homecoming weekend at Neshannock.

Steeler Assembly

Rocky Bleier and Russell Davis *Entertain Neshannock*

On October 5, WPXI sports commentator and former NFL and Pittsburgh Steeler star Rocky Bleier and his traveling Steeler assembly treated Neshannock High School to its best school-time program in a long time. During the assembly, the students at Neshannock got the unique opportunity to meet Rocky and his Steeler guest for the day, Russell Davis, who was on the injured reserve list at the time of the assembly.

Before Rocky spoke to the student body, the movie **The Pittsburgh Steelers: Team of the Decade** was shown, complete with bone crunching tackles, great runs, great passes, and great catches (including the Immaculate Reception) by Steelers from the past decade. Following the film, Rocky and Russell opened up an informative question and answer session, answering questions on the Steelers and pro football in general. Following the assembly they signed autographs before leaving via the WPXI helicopter, which landed on our football field.

Senior Cakes

An old tradition at Neshaminy is at the end of Senior Week is the making of cakes for the senior members of all of the fall sports teams, the band, and the various organizations. This year saw a vast array of cakes as evidenced in the photos on this page. The cakes mark the culmination of a successful fall season for all of the teams and help to perk the students at Neshaminy for the football game that evening.

Senior Night

The offense huddled and approached the line of scrimmage. Midland's defense tensed and waited for Neshan rocks center to snap the ball. Both teams were hoping for victory, but the Lancers had an extra incentive to win: it was Senior Night.

Prior to the football game, senior members of various school activities were announced by Mr. Fredant. Senior students from the football team, band, cheerleaders, Lancerettes, majorettes, flags, and rifle corps were recognized. The class officers and the foreign exchange student were also introduced. All senior members in these organizations were escorted across the field by their parents.

This event, and the excitement in the stands, urged the Lancers on to score three touchdowns and to defeat Midland.

Senior Fun Night

This year's Senior Fun Night proved to be a great success. The officers decided to have a combined Halloween-Fun Night party. The committee spent all afternoon decorating the school and popping popcorn. After all, what would a movie be without popcorn? If the seniors wished, they could watch **The Thing** rather than play volleyball, basketball, or artillery. The seniors are commended for coming up with such original costumes. A special thanks goes to the chaperones, who judged the costumes. The winners of the albums were Leanne Casalandra, Mike Williams, and Tom Fontana. Good job, guys!!!

Senior Play

Saturday, December 17, 1983, the Senior Class presented the play, "Love Your Neighbor," a 3-act farce comedy written by Albert Johnson

After all the rehearsals, learning lines, and having to delay the play one week, these students finally pulled through, and the play was a great success

"Love Your Neighbor" took place in a small Iowa home of the Vashki's. Emil and Anna (Mr. & Mrs. Vashki) were preparing for the wedding of their daughter Tessy to a rich, worldly man, Oswald Fredrick. Oswald's mother and aunt were pushing for this marriage, because they felt it would be good for their candy bon-bon business

The story complicates itself further when Tessy first meets her new neighbor, Johnny Jones, after one of his bees stings her. Needless to say, it was love at first sight and Tessy and Johnny eventually came to be together

The cast had a really good time practicing and performing this play. The students did have quite a bit to learn, and the cast (believe it or not) did have some problems. For instance, Randy Smith had to hide his lines in the right places, Leanne Casalandra had to learn to back wards talk, Cathy Jay had problems while making her clay mummy, Barb Plant had to sit just right to make such a big splash, Howard K. Cohen had problems with which place he should make his entrance, but Cathy Sandvik had no problem having to act like a hypochondriac. Although there were some minor problems such as the ones listed, the cast had a great time

With the help of director, Mr. Donald A. Fredani, this was something these students will never forget as they move on

The cast would like to thank Mr. Fred for giving them his time and concern. They'll never forget him

The **Lance** would like to congratulate these people on a job well done!!!

Basketball Seniors

During the week of February 13, Neshannock honored its senior basketball players on both the girls and boy's teams.

On Monday, Feb. 13, the Girls Basketball Senior Night took place. Prior to the game, Debbie Barker, Sharon Kozlowski, Jodi Ludovici, Brenda Miller, Karen Reed, and Manager Mary Jo Barker were introduced to the crowd in attendance. In their final regular season home game, the girls put up a good fight before finally succumbing to a strong team from Wilmington.

The following evening, the boys were more successful against the boys team from Wilmington, coming away with an exciting victory on a last second shot to win by one point. Prior to their last home game, senior Scott Chamberlain, Bobby Dray, Tim Hurcheson, Trevor Meider, John Snow, and Manager Mark DiBiase were introduced to the packed house along with cheerleaders Kyree Eddy, Cathy Jay, and Sharon Kozlowski.

Varsity Football

The 1983 Lancer Football team seemed to surprise everyone but themselves by finishing third in the Tri-County and by showing a lot of character. The team experienced both great victories and heartbreaking losses. The highlight of the season was the Homecoming victory over Rochester, which we won 15-14, after a sensational 60 yard run with 25 seconds left.

Not too many records were broken and no one player outshined the rest but the 83 Lancers, under the leadership of Bob Bieggi, played as a team. They started their season with 2 rough losses and finished it with 2 great victories.

This team never quit and although they may have been missing some things; spirit, determination and pride were not among them.

Nesh.

Junior Varsity

This year's Neshannock High School Jr Varsity football team showed a lot of character. The defense was so tough that they never broke. From the looks of this JV team fans definitely have something to kick forward to with the coming seasons. This team showed us that with character they showed pride and determination.

Junior High

During what many felt was a disappointing season, the Junior High Football team felt many highs and lows. After a great start with victories over West Middlesex and Mercer the team went 0-3-1 over the next 4 weeks. But in the season finale, they defeated Mohawk to salvage a 500 record

Some great performances were turned in by the players this season. John Weatherby, Eddie Covert, Billy Barker, and Brian DeLorenzo sparked the offense along with the offensive line while Jeff Demonfonte, Sean Dwyer, Jimmy Eakin, Jack Cameron, and Danny Ambuster and others played rough scrappy defense all season

With the experience gained through this year and the coming years, these future stars will make up an exceptional Varsity team

Girls Cross Country

For the past four years the girls Cross Country team, coached by Mr. Travers, had won the WPIAL Championships and went on to finish no lower than seventh place at the State Meet. This year, however, hampered by injuries and a lack of runners, the girls turned in a respectable fourth place finish at WPIAL, which did not enable them to go to State, yet Denise Johnson did qualify for State. Even though the team will lose four seniors; Karen Davies, Sharon Kozlowski, Brenda Miller and Denise Johnson, they will still have an excellent squad returning next year. Denise finished second place at the WPIAL Championships which enabled her to qualify for states for her fourth straight year. At states she put in a fine performance finishing 23 overall. On behalf of the **Lance** staff, we would like to congratulate Denise on doing such a great job!!!

Girl's Tennis

The Neshannock's Girl's Tennis Team had a smashing 1983 fall season. Coached by Mrs. Greta Bretton, the team won all but three of their matches. Seniors that lead the team to the semi-finals were Megan McKissick, number one singles, Anita Cicero, number two singles, and Kim Fox, number three singles. The other members of the varsity squad include Kristen Beebe and Melissa Santra first doubles; Margaret Blewett and Amy Lytle, second doubles. This was Mrs. Bretton's second year as coach of the team, and she was very pleased with the girl's tennis team for losing only 3 matches during the season.

Golf

This year's golf team proved to be one with determination. After tryouts, the team started its season at Castle Hills Golf Course, where it hosted the other teams. The team will lose only one senior this year, Tom Whittaker, but they will miss his great playing. Next year's team should be even better because of the experience.

Volleyball

This year Girls Volleyball was added to Neshannock's sport family. The team was coached by Miss Susan Brown. Because it was the first year for volleyball, the tryouts were challenging and the practices strenuous. The "Lancer Specials" became part of the girls practice routine. The high scorer for the season was Una Chen. The **Lance** staff would like to congratulate the girls and Miss Brown on such great ambition which they showed this season.

Basketball

This year's version of Neshannock's Boy's Basketball team featured some of the old and some of the new. The team was led by six returning seniors including starters John Snow, Bob Dray, and Tim Hurcheson. Trevor Meider also saw considerable action as a substitute. Some new faces also came into the picture this year as junior Tom Linton and sophomore Nick Kolovos broke into the starting line up and made considerable contributions to the team and junior Steve Marino saw action.

The Junior Varsity hoopssters were led by Marino, juniors Tyler McQuiston and Todd Casalandra and Gordon Wissinger and by sophomores Don Colucci and Charles Patton.

Tammy Sonkey, a junior and one of the most prolific scorers in the WPIAL, led the team in many categories including scoring. Tammy topped the 1,000 point mark midway through the season in what was only her third year of competition. She also broke the school record for points scored in a game by pouring in 45 against Quigley.

Also leading the team were Jennifer Hannon, Brenda Miller, Sharon Kozlowski, Karen Reed, Jodi Ludovia, and Debbie Barker. Mr. Bill Girvan and his assistants Mr. Mike Fisher and Mr. Nick Podice's work has paid off with success.

Girl's Junior High Basketball

In their first year of existence the Girls Junior High team added the 7th and 8th grade girls to the basketball program, something that the boys have had for some time.

Wrestling

This year's wrestling team was plagued by two menacing problems this season. The first was a lack of personnel. Only eight team members showed the determination to be a part of the sport. This resulted in at least three forfeited matches at every team match. The loss of 18 points for the team before the match even starts makes it very difficult to come back. The members of this year's squad were Jim Balog, Jack Cameron, John Carr, Steve Chisham, Vince Costa, Tony Moses, Ed Panella, and Larry Doran, coached by Mr. Joseph Allay.

The other problem facing Neshannock's matmen was that this is only the second year that wrestling has existed at Neshannock. Some of the team members were in their first year of competition in the sport. While the grapplers from Neshannock had to concentrate on fundamentals in order to just learn about the sport, the teams that they competed against usually had had a wrestling program at the school for some time. This lack of needed experience showed up time and again during the year. Hopefully this season will work as a stepping stone for better things in the future.

Boy's Tennis

Many opponents believed that the 1982-83 Neshannock tennis team would be devoted to rebuilding, but Coach Bob Brown and our young team had other ideas.

Last year's juniors were led by Dan Hess at first singles. Other juniors were Mike Biewitt, Dave Messner, and Tom Whittaker. The freshman class was also well represented with Mike Fisher, Craig Prokopchak, and Russ Morris.

Among the team's accomplishments was a brief, yet impressive appearance in the W.P.I.A.L. doubles tournament. Also, the team won its first ever playoff match, by defeating New Brighton.

The **Lance** staff would like to congratulate the boys on such a fine season!

Girls' Track

The Girls' Track team had a very successful and rewarding season this past year. The team ended their dual meet season with only one loss (to Mohawk). As the second place team in the track section, the girls entered the championship rounds. In their first meet, they defeated Quaker Valley to advance to the semi-finals. But, in that meet with Mars, the girls were eliminated in a close meet.

Besides the dual meet season, there were other honors for the team and some of the individuals on the team. At the Tri-Country Meet held at Shenango High School, the girls held back the rest of the competition and won the Tri-Country Championship. Later in the season, the WPIAL Championships, two girls qualified to compete at the PIAA State Championship Meet held at Shippensburg State College. Brenda Miller qualified for the 200 Meter Run at the state finals, while Tammy Sankey qualified for the shot and discus, finishing 9th in both events.

The Lance staff would like to congratulate coach Chuck Travers and the girls for a fine season.

Varsity Cheerleaders

For the first time, all three cheerleading squads attended cheerleading camp over the summer. The camps were sponsored by Nationwide Cheerleading Association. That was only the beginning of all the hard work and practice and effort the girls put forth. While the football players were sweating it out on the practice field, the cheerleaders were working on new cheers and routines. In order to raise enough money for the candy, locker signs, paint, and camp, the girls held two car washes and a hoogie sale. The girls also sold Lancer painters hats, which was a good way for the student body to show their spirit. The cheerleading advisors are Miss Sandy O'Kresik and Miss Kathy Kearney. The cheerleaders would like to thank these two for all the help and support they have given.

Lance

The 1984 **Lance** Co-Editors, Leanne Casalandra and Corby Jay, worked hard all year with their advisor, Mr. Russell Barley, to put together this yearbook. Many students would not realize that the type was serif gothic and the size of the headlines was 30 point, but these three people are all too aware of that! More work goes into the composition of a yearbook than many people are aware of. There are the large jobs of cropping pictures, working on layouts, typing, figuring out who all of the students are in the pictures, and organizing the book so that you can enjoy it.

While we at the **Lance** strive for perfection, sometimes an error will slip by us. But, "to err is human." Hopefully, these mistakes will be overlooked in the future and those not TRULY involved in the making of the yearbook may realize that the book they come to expect is much more difficult to put into reality than meets the eye!

Student Council

Hardworking would be the best way to describe Nesbannock Junior Senior High School's Student Council this past year. During the year Student Council tried to keep the calendar filled with activities some old familiar one and some new ones that seemed to be very popular. The year's first activity was the Homecoming Dance held on Saturday, October 1, the day after Nesbannock's Homecoming victory over Rochester. Queen Ann Picerno and her court presided over the affair. Later in the year Student Council sponsored a Christmas Mixer complete with decorations and a visit from Santa Claus played by Benner Trorr. Some of the

decorations used at the mixer came from another Council sponsored activity, a Homeroom Door Decorating Contest. Mrs. McCulloch's Homeroom 201 was victorious with a door which was judged to convey the Christmas spirit best while being most original and most well decorated. Their door acted as a background for pictures taken with Santa Claus. Also offered to the Junior High grades were two mixers and a "Fun Night" with an open gym to play whatever games they chose. All of these were attended heavily by our 7th and 8th graders.

Continued this year after its first year in the 1982-83 school year was the **Student Newsletter**, a weekly newsletter written entirely by Student Council members. Students could read about the various sports teams, news from Student Council, and about various other activities going on in the school. Andrea McRoberts, Student Council President, put many hours of work into the paper during the course of the year, keeping it light and informative.

Council would like to thank Jay McNickle, who won the post of Treasurer, but resigned due to conflicts with his job.

Teacher's Assistants

Neshannock's most important organization is not a club but a class taken by 29 very special seniors and by 4 others who have volunteered their time. These students are the Teacher's Assistants (affectionately known around school as TA's). For at least one period per day these students act as tutors for the Junior High and Elementary students who need help with some of their subjects. Often, these people will spend two or three class periods helping students and making flash cards among other things instead of spending time in a study hall. This unique and very special group is under the watchful eye of their instructor, Miss Margaret McCullough.

One of the things that all of the tutors will surely remember is the vast number of cards which they had to prepare for the younger kids to study from. Thousands of cards are made each year to help the students who need them to study for exams. Often, the TA's will make games based on board games, but using questions from a subject area instead of dice or spinners. They also spend some time decorating the room they use to give it a better atmosphere.

This program has been extremely successful here at Neshannock and we on the **Lance** staff would like to salute them for their efforts.

Youth Page

The 1983-84 **Youth Page** writers Anita Cicero and Laurie Hart, who are under the direction of Mrs. Werzel, are responsible for the informative weekly articles found in the **New Castle News**. The articles deal with the extra-curricular activities at NHS, as well as school news, competitions, and noteworthy honors bestowed on Neshannock's student body and faculty.

Although Anita and Laurie are the only free-lance **Youth Page** correspondants, Mrs. Werzel's sophomore English class also contributes regularly.

Parents of Neshannock students and residents of the New Castle area find the **Youth Page** very informative and look forward to its weekly publication in the newspaper.

Student Life

Neshannock High School's student newspaper is appropriately titled **Student Life**. **Student Life** is a monthly publication for and about the students of Neshannock. Some of the stories cover events that occurred in the past month, while others cover the lighter side of high school life with answers to questions such as "What do you want for Christmas?" The quarter price is worth every penny. Mrs. Werzel and her staff should be commended for their fine work on **Student Life**.

PA Announcers

What would the student body do in the morning without the announcements? Luckily, they will never have to find out. This year Leanne Casakandra and Cathy Joy were the friendly voices who read the announcements on the PA system. Despite struggling through trying not to laugh and trying to read some teachers writing, these two girls are to be commended for doing such a good job!

Math Competition

Miss Otto and Barley took many competing math teams to various colleges this year. These students placed very high at the Math Competition at Westminster College. This group, along with other students, also traveled to Edinboro University to compete against other students from different schools. At this time, the **Lance** staff would like to congratulate these four students on doing such a fine job of representing NHS.

Ski Club

During the winter, the Neshannock Ski Club took several skiing trips to the various slopes in the area. Under the sponsorship of Mr. Ketterer and Miss McCullough, the club is also one of the most popular organizations as you can see by the above photograph. Though the club sponsors the trips, students are required to purchase their own lift tickets, rent equipment on their own, and on their first trip take ski lessons before heading down the slopes. While most members might say that they would like to go more often, the club does get the opportunity to take the members to the slopes enough to satisfy everyone.

FBLA[illegible]

The goals of FBLA, as stated in the FBLA Student Leadership Handbooks are to:

- Strengthen the confidence of students in themselves and their work
- Encourage members in the development of individual projects which contribute to the improvement of home, business and community
- Encourage scholarship and promote school loyalty
- Assist students in the establishment of occupational goals

The Neshaminy FBLA club has participated in various activities this year. Highlights include fall regional meeting at Grove City High School, a Christmas dinner caroling at Indian Creek Nursing Home, regional competition on March 1 at Lawrence County, Va Tech, and state competition in Lancaster in May.

At the time of the President's visit, the President's office was in the White House.

National Honor Society

The Neshannock Chapter of the National Honor Society opened their year with their induction ceremony held during the month of November. Mr. Scungio was the guest speaker. They were also instrumental in putting together Senior Citizens Night helping the elderly into the building and serving cookies and punch.

High School Choir and Special Vocal Groups

The Senior High Choir did much more than do concerts for their parents and friends here at Neshannock as do many other high school choirs. The choir under the direction of Mr. DeAngelo could be seen in the Town Mall doing a concert for the people of the New Castle area prior to Thanksgiving or doing assemblies for both the Senior High and the Merriam Elementary students before Christmas vacation. They also did a concert at Northminster Church for area citizens. Oh yes...they also found the time to do concerts for their parents and friends here at the auditorium.

Also included in Neshannock's vocal groups are the Girls and Boys Ensembles. Comprised of select members of the choir, these groups also performed at concerts.

Lancer Band

This year the band was under the field direction of Monohar Prabhu and Jim Acierno. Directing over them was Mr. Tom Schaffner. The Flag and Rifle Corps were under the direction of Mrs. Bernie Schaffner. The Lancerettes and Majorettes were under the direction of Miss Laurie Evans. This year the band worked very hard. Over the course of the year they performed at the Pie Festival, The Lawrence County Band Festival, The Halftime Shows, the Veterans Day Parade, and The Christmas Parade. During the halftime shows this year, the Lancerettes performed to "Your Love is Driving me Crazy," the Majorettes performed to "Alexander's Ragtime Band," the Rifles to "Billie Jean," the Flags to "Watermelon Man," and the Band even had two features.

[illegible]

I was walking down a road about a lifetime ago
 When I heard my name being called
 I looked and saw a wise old owl
 Who was kind and old and bold
 He'd lived through it all and he learned from it
 And there were stories he liked to tell
 So stayed around for a few of my years
 Until I got to know him well
 He taught me a lot about life itself
 And he taught me about others too
 He was always there when I needed a friend
 Times when I had few
 I was almost ready to leave the nest
 To see the world for myself
 When the wise old owl cried out to me
 And said: "Son, I'm getting poor in health
 So be left the nest to tend to himself
 I was sure he wouldn't be gone long
 Soon he'd be back, feeling better each day
 Getting well and feeling strong
 I never saw the old owl again
 Though this I have to tell
 I never wanted to say goodbye
 So I'll just say: "Farewell, my friend, farewell."

Howard K. Cohen

Mr. Robert Criswell

Mr. Robert Seaholm

He was teacher, counselor and friend. By his own life and
 conduct he exemplified the Christian principles in which he so
 devoutly believed, and instilled in those around him an
 admiration and respect for all things good.

He dedicated his time and talents to helping others, motivated
 by one earnest desire to make the world a better place.

He had an abiding faith that never wavered even under the
 most trying circumstances.

In the realm of time his stay on earth was brief; even so, he
 left an endearing legacy of love, compassion, humor, and
 understanding for all living creatures.

CLASS OF 684

BELIEVE IN YOURSELF

By Edgar A. Guest

Believe in yourself! Believe you were made
To do any task without calling for aid.
Believe, without growing too scornfully proud,
That you, as the greatest and least are endowed.
A mind to do thinking, two hands and two eyes
Are all the equipment God gives to the wise.

*Believe in yourself! You're divinely designed
And perfectly made for the work of mankind.
This truth you must cling to through danger and pain;
The heights man has reached you can also attain.
Believe to the very last hour, for it's true,
That whatever you will you've been gifted to do.*

Believe in yourself and step out unafraid.
By misgivings and doubt be not easily swayed.
You've the right to succeed; the precision of skill
Which betokens the great you can earn if you will!
The wisdom of ages is yours if you'll read.
But you've got to believe in yourself to succeed.
